Please note we do not disconnect/connect any appliances per our insurance policy, nor are we responsible for water leaks. In some cases, tracking soil onto flooring is inevitable, thus we are not responsible for any resulting damage. Our liability for damage on "load only jobs" (no transportation of goods performed by Gamecock Moving LLC) terminates once the "truck" has been loaded. We highly recommend contacting your insurance agent to obtain a moving endorsement for your current policy. Furthermore, all damage claims must be submitted via email within 14 days of the move date. Claims sent past the 14 day limit will not be honored. Damages are also not covered until the client has paid for their move in full. Clients are responsible for any collection fees, court fees, legal fees, or lawyer fees that occur as a result of failing to pay their bill in full upon completion of the move. Clients are also responsible for NSF fees as a result of insufficient funds, bounced checks, or failure to pay within 14 days.

## Option 1: FREE: Standard Insurance

Standard South Carolina Transit Coverage will be automatically applied to all articles at a compensation rate of \$0.60 or 60 cents per pound. Everything is valued at 60cents per pound against damage during the move. For example, if a chair weighs 10lbs and is broken during the move, regardless of the value, the settlement will be \$6.00 based on \$0.60/lb/item. This is the standard minimum coverage in the moving industry.
